

## MAISON DE L'INDE

### COVID-19 precaution instructions for all arrivals from outside France

**Residents may not receive visitors who have travelled outside France in the last 20 days. Permission to receive visitor from outside the CIUP must be requested 2 working days in advance**

**For returning or new residents, to be observed for a period of 2 weeks:**

Self isolation	For 2 weeks, spending as little time in public areas, including kitchens, as possible; no visits to other residents' rooms or other floors/buildings permitted
Mask wearing	In all public spaces including the reception, kitchen, toilets and corridors at all times
Kitchen use	Schedule to be assigned with floor-mates; meals should be taken in the room
Guests & visitors	No visitors allowed in the room from inside or outside the Maison
Medical supervision	Staying vigilant and reporting to Director of any potential symptoms of Covid-19: fever, cough, breathlessness, headache, diarrhea or vomiting, loss of smell or taste, any other symptom with a sudden onset; residents exhibiting symptoms will be required to consult a doctor

**I understand the conditions of my residence and agree to follow these precautions upon my arrival at the Maison de l'Inde. Not respecting these precautions can result in my expulsion without notice.**
